

## **Instructions:**

1. Use the head loop to hang your octopus showercaddy wherever you like.
2. Adjust each arm loop to the desired size to fit your shampoo, showergel, shaving cream container or any other item by holding the loop in one hand and pulling firmly on the tentacle with the other.
3. Slide the container or item into the loop and make sure it's snug.
4. The showercaddy can hold up to 9 containers or items and you can dispense the contents while they are attached.

Have fun!
