

Dessert and Baking Salts Collection Includes:

- Vanilla Cardamom Salt** (added to your cookies instead of regular salt, this flavor will impart a rich spiciness. Add to puddings and creamy desserts.)
- Hibiscus Salt** (with the tangy flavor of fine cut hibiscus flowers this combination is great paired with sweet creamy desserts or sprinkled on top of chocolate ice cream.)
- Espresso Salt** (this combination of espresso and salt would be perfect sprinkled on top of a chocolate pot de crème. It is also great for truffles.)
- Orange Ginger Salt** (this fragrant and spicy salt is best with a dark chocolate dessert, like flourless chocolate cake or sprinkled on top of brownies.)
- Rose Peppercorn Salt** (the combination of delicate rose petals and pink peppercorns has an intense fruity flavor with a bite that is great on desserts such as vanilla cheesecake.)
- Vanilla Lavender Salt** (sprinkled on top of crème brûlée, classic shortbread cookies or caramel dulce de leche desserts, this is a very floral finishing salt.)
