GENERAL COMMENTS

Adhere to the instructions carefully before assembly.

Identify the different parts of the product. Group and check the hardware items. Get the necessary and keep the area clear before you begin assembly.

Assembly should be carried out by a qualified person because wrong assembly may lead to that the furniture topples or falls resulting in personal injury or damage.

Proceed to assemble. Never force the fittings. Tighten the screws after some time of usage.

Keep these assembly instructions for future reference. They could facilitate communication with your store or dealer, in the event of any query.

DISTINCTIVE FEATURES

The article that you have just acquired is hand-crafted.

Made from lightened fibrous concrete (less than 2 tonnes per m3) reinforced in a steel frame structure. It is composed of natural materials (cement, sand, water, steel, and fibres) and is hand-made.

Porosity, micro fissures and possible variations in colour are inherent characteristics of the material used and evidence of handicraft, which gives the furniture its unique appearance and charm. For these reasons, this article cannot be returned or exchanged.

MAINTENANCE AND CARE

Avoid leave spills unattended.

Swab lightly clean colored stains (such as red wine, oil, tea and coffee) with wet sponge and soap.

Avoid use abrasive products, strong acid detergents, bleaching agents, metal shaves, or high-pressure cleaners. Preferably use a soft clean dry cloth.

Good protection, apply wax or stone preserve products regularly.

Do not bring the elements: During winter, we advise you to keep the article in a dry place after it has been cleaned, aired and dried. You could also cover with a protective cover.

INSTRUCTIONS FOR USE
**STEP #03**

The assembly should be carried out by a qualified person due to the fact that wrong assembly can lead to that the furniture/Object taps or falls resulting in personal injury or damage.

**NOTE!** Screws or fittings included to fix the furniture/object to the wall/ceiling are not suitable to all materials. Always choose screws and fittings that are specially suited to the material in your wall/ceiling and have sufficient holding power. In case of hesitation, contact your local specialized retailer.

**STEP #04**

The montage doit être effectué par une personne compétente. Un montage mal effectué peut provoquer la chute de l’objet et blesser quelqu’un.

**ATTENTION!** Les vis et quincaillerie fournies pour fixer le meuble/l’objet au mur ou au plafond ne sont pas adaptées à tous les matériaux. Adaptez les vis et quincaillerie au matériau du mur/plafond et au poids de l’objet. En cas de doute, demandez conseil à un vendeur spécialisé.

**LAST STEP**

**WARNING**

Do not force if it is too tight. Adjust the axis of the hardware by hand and try it again.

**IMPORTANT**

Si vous rencontrez des difficultés, nous vous recommandons de ne jamais forcer. Ajuster légèrement l’axe de la patte de fixation manuellement puis réessayer.
