Airedale Terrier

Poem on other side of mug

A gorgeous dog, both fierce and fond.
It hails from isles across the pond.
Resplendent coat that's tan and black.
Exquisite stance, and sturdy back.
Determined hunter, guard or guide.
Alert and brave... ablaze with pride.
Let all your hesitations end:
Expect to greet a peerless friend.
COMPACTLY BUILT, DETERMINED, SMART.
ONE SOARING VIRTUE IS GOOD HEART.
COMPASSIONATE, SO FOND AND KIND.
KNOWS HOW TO PUSH YOUR CARES BEHIND.
ENERGETIC, SLOW TO TIRE.
RESPLendent WITH ATHLETIC FIRE.

SO MUCH EXCITEMENT WITHOUT TAIL.
PERPETUALLY WAGGING TAIL!
FACE WITH "SOFT AND MELTING" GLOW.
NEVER DOUBT AND NEVER SLOW.
ITS DOGS LIKE THIS WHO SPARK YOUR DAY.
ENRICHING YOU IN EVERY WAY.
LIVE THIS LIFE THAT'S FILLED WITH PLAY!

Apparently there's been a rumour
unique myths about down under
seemed to give this dog a name...
the fact? he's state-side! (who's to blame?)
ranchers in the u.s. west
allowed him to become his best
livestock followed him in terrain.
invited in his cannot fail.
a dog devoted to each task...
no worries, all we need do is ask.

So kind and loving, faithful, fond.
his nick-named "velcro", such his bond!
excelling at frisbee, flyball, too.
perhaps invents a game for you.
how energetic... what fierce thunders!
exercise each day's a must!
rescue, therapy, and more.
decline this dog... whom you'll adore!
